

In preparation for your child starting school Spring/Summer term 2015

Each week the children will bring home a simple sheet, based on something we have been working on. Please don't feel they have to complete it, it is supposed to be a fun activity to work on with your child.

If they do complete it please bring it back the following week on the day it was given out.

They will also bring home a book of their choice to read and enjoy at home. **This must be returned each week in the folder provided.**

During the next two terms there will be more group activities including writing, letter recognition and mathematical activities. When teaching your child letters remember to use lower case letters, apart from at the start of a word.

After Easter we will be preparing the children for changing into PE kit at school.

They will require shorts, T shirt and a change of soft shoes or plimsolls in a named bag, which we will keep at Pre-School for the whole term.

School Visits

During this term we will be visit Newton Flotman Primary school. The children will have an opportunity to meet the staff and become familiar with the school. I will notify you of dates nearer the time.
